Description

This Scania G Series G410 B 8X4 Day Cab 32-Ton HGV 19FT5 Tipper Grab is built for tough jobs and heavy-duty site work, offering exceptional power, durability, and reliability. Designed for construction, aggregates, and bulk haulage, this truck is ready to handle demanding loads with ease. Powered by a robust 13L turbo diesel engine and paired with a smooth automatic transmission, it ensures effortless performance and precision handling. The reinforced tipping body and hydraulic grab system provide maximum versatility, making loading and unloading fast and efficient. The spacious day cab is designed for driver comfort, featuring air conditioning, ergonomic seating, a high-tech infotainment system, and excellent visibility. With Scania's legendary build quality, heavy-duty

suspension, and advanced braking system, this HGV is a workhorse built to last.
