Description

This 2023 (73 reg) Volkswagen Crafter CR35 2.0 TDI 140 Startline LWB High Roof Fridge Van, finished in clean White, offers the perfect solution for businesses needing dependable, temperature-controlled transport with maximum practicality. Powered by the strong and efficient 140BHP 2.0 TDI engine, it provides confident performance for both local drops and long-distance delivery, making it a true workhorse for catering, pharmaceutical, and fresh-produce operations.

Externally, the long wheelbase combined with the high-roof configuration delivers excellent load capacity while maintaining the Crafter's renowned ease of manoeuvrability. Practical features such as parking sensors and a rear Safe-T-Bar add

extra confidence and protection during tight manoeuvres and busy delivery schedules.

Inside the load area, the van comes fully lined and fitted with a high-quality refrigeration unit to maintain consistent temperature control for perishable goods. A solid bulkhead separates the cabin from the chilled compartment, ensuring optimal insulation and driver comfort.

The cabin itself offers a functional, comfortable workspace with electric windows and mirrors, Bluetooth connectivity, and power-assisted steering for effortless handling. Built with Volkswagen's durability and reliability at its core, this Crafter is engineered to meet demanding commercial requirements day in, day out.

Overall, this Crafter CR35 Startline LWB High Roof Fridge Van delivers excellent payload capability, dependable refrigeration performance, and a practical specification—making it the ideal choice for any business requiring a robust, efficient, temperature-controlled vehicle ready to work immediately.
