Description

This is a Volkswagen Transporter Highline, a versatile van with a 2.0-litre diesel engine and four-wheel drive. The vehicle is a 2021 model, and it's the BiTDI T32 Highline derivative, complete with a DSG transmission. This short wheelbase model has five doors and meets Euro 6 emission standards. With 201 bhp, this Transporter offers a compelling blend of power and efficiency, making it a superior choice compared to other vans in its class.
