Description

The Ford Transit Custom 300 TDCI 130 L2H1 Limited Fridge Van is a versatile and reliable refrigerated vehicle, ideal for businesses requiring temperature-controlled transport. Designed for efficiency and practicality, this long-wheelbase, low-roof van offers ample cargo space while maintaining excellent manoeuvrability. Equipped with a high-performance fridge unit and overnight standby function, this van ensures consistent cooling even when parked. The front-wheel-drive system provides a smooth and stable driving experience, enhancing traction and control—especially when navigating

city streets or making frequent stops. Inside the cab, drivers benefit from premium Limited trim features, including air conditioning, heated seats, cruise control, Bluetooth connectivity, and a multi-function steering wheel for added comfort and convenience. Additional highlights include parking sensors for easier navigation, electric mirrors & windows, DAB radio, PAS, and a fully lined cargo area with a bulkhead for optimal insulation and protection. Built to meet the demands of temperature-sensitive industries, this Transit Custom Fridge Van is a top-tier choice for businesses transporting perishables, pharmaceuticals, or catering goods.
