Description

1 Owner from new, EURO 6 / ULEZ Compliant, Low mileage only 15k, Spare key,

The 2023 Mercedes-Benz Sprinter 315 CDI Progressive RWD L2 H2 Euro 6 (s/s) 5dr sets the standard for power, practicality, and premium quality in the commercial van sector. Having covered just 15,000 miles, this vehicle is in exceptional condition and ready to deliver years of reliable service. Combining Mercedes-Benz engineering excellence with impressive cargo capacity and advanced technology, it's

perfectly suited for both professional and business use.

Under the bonnet, the 2.0-litre diesel engine produces 148 bhp, providing ample performance and torque for heavy loads or long-distance driving. Its rear-wheel-drive setup ensures confident handling and stability, even when fully loaded. Being Euro 6 compliant, it meets the latest emissions standards, offering efficiency alongside environmental responsibility.

The exterior showcases the Sprinter’s unmistakable professional presence, finished to a high standard and complemented by the Parking Package with 360° camera, reverse camera, and auto headlights for enhanced safety and visibility. With a cargo volume of 10,500 litres, this L2 H2 model delivers outstanding space and practicality, outclassing many rivals in its segment.

Inside, the cabin blends comfort and functionality with Mercedes’ renowned attention to detail. Features include the MBUX multimedia system with 7-inch touchscreen, multi-function steering wheel, cruise control, and Bluetooth connectivity, ensuring every journey is both efficient and enjoyable. The bulkhead and ply-lined load area provide protection and durability for your cargo, while electric mirrors and windows, DAB radio, and power-assisted steering (PAS) enhance everyday usability.

Overall, this Sprinter 315 CDI Progressive is a superb example of a modern, high-spec commercial vehicle—combining spacious practicality, cutting-edge technology, and exceptional driving refinement. Ideal for businesses that demand reliability and professional presentation in equal measure.
