Description

The 2018 Mercedes-Benz Antos 1824L 7.7L Automatic Diesel Box Van is a high-quality, reliable fridge/freezer lorry, perfect for temperature-controlled transport. It features two sectioned compartments in the rear, allowing for both chilled and frozen goods to be carried at once. Comfort and convenience come with air conditioning, cruise control, electric windows, and electric door mirrors. The CD player keeps you entertained on the road, while power-assisted steering (PAS) and remote central locking make every journey smooth and secure. Built for demanding delivery work, this Mercedes Antos offers practicality, durability, and smart design — making it an excellent choice for businesses needing efficient, multi-

temperature transport solutions.
