Description

The 2022 Mercedes-Benz Sprinter 315 CDI 150 L3 Progressive LWB Curtainside is a versatile and capable commercial vehicle, built to handle a variety of transport needs. This long-wheelbase, rear-wheel-drive model is powered by a strong yet efficient diesel engine, paired with a manual transmission for optimal control. Equipped with Auto On Headlights for enhanced visibility, Cruise Control for effortless long-haul driving, and a DAB Radio for in-cab entertainment, it ensures both convenience and comfort. Electric Windows and Power Assisted Steering (PAS) make manoeuvring easier, while Remote Central Locking provides added security. With its practical curtain side design, this Sprinter is perfect for businesses requiring flexible cargo

access and efficient loading solutions.
