Description

The 2021 Mercedes-Benz Sprinter 315 CDI 150 L2H2 Progressive is a medium-wheelbase (MWB) high-roof panel van built for efficiency and comfort. With a 150BHP diesel engine and rear-wheel drive (RWD), it delivers exceptional power and stability, making it ideal for heavy loads and long-distance driving. Inside, air conditioning ensures a comfortable cabin, while cruise control and auto-on headlights enhance convenience on the road. Modern features like DAB radio, electric windows, power-assisted steering (PAS), and remote central locking make every journey smooth and effortless. Whether for trade, logistics, or specialist conversions, this Sprinter combines Mercedes-Benz reliability with advanced practicality to meet the demands of any business.
