## Description

Built to handle work and play in equal measure, this 2023 Ford Ranger TD 170 XLT EcoBlue 4WD Double Cab is ready to take on whatever comes its way. Powered by a strong and efficient 2.0L EcoBlue diesel engine, it delivers reliable performance with the confidence of 4WD capability for tougher terrain and unpredictable weather. Equipped with a secure Roll'n'Lock load cover, it keeps your cargo safe, dry, and easily accessible — ideal for tools, kit, or weekend gear. The Towbar adds extra practicality for hauling trailers, caravans, or equipment, making it perfect for both trade and leisure use. Sharp alloy wheels, front fog lights, and Auto On Headlights bring a modern, muscular look, while inside, the cabin is packed with comfort and convenience: Air Conditioning,

Cruise Control, DAB Radio, Electric Mirrors and Windows, and Rear Parking Sensors make every journey smoother. A tough and stylish double cab with proper 4WD muscle — the Ranger XLT is a smart choice for those who demand more from their pickup.
