Description

The 2022 Ford Transit 350 Leader P/V EcoBlue 2.0L is a robust and reliable panel van, perfect for business and commercial use. Powered by a 2.0L EcoBlue diesel engine, it delivers strong performance and efficiency. Key features include air conditioning for comfort, DAB radio for entertainment, and electric windows for convenience. Power-assisted steering (PAS) ensures smooth handling, while remote central locking enhances security. With the addition of a towbar, this Transit is ready to handle extra loads with ease. Combining practicality, durability, and modern features, this van is an excellent choice for professionals who need a dependable workhorse.
