## Description

Step into practicality and style with this 2022 Ford Transit Custom 280 TDCI 130 Limited – a short wheelbase, high-roof model finished in the sought-after Limited spec. Powered by a punchy yet efficient 130PS EcoBlue diesel engine, this van combines real-world torque with a smooth front-wheel drive setup, ideal for urban runs and long-distance work. Inside, you'll enjoy the comforts of air conditioning, cruise control, heated windscreen and front seats, as well as Ford's integrated satellite navigation and DAB radio. Auto-on headlights, alloy wheels and front fog lights give it a sharp, modern edge, while practical touches like rear parking sensors and electric mirrors round out this versatile package. One stand out feature of this van is the SYNC3 Audio and

navigation package which offers a touch screen infotainment system, built in satellite navigation with live traffic updates and voice recognition, DAB radio, Apple car play and features from Fords ICE pack which included enhanced audio and improved speakers.
