Description

Here we have a 2021 Renault Master LL35 DCI 135 L3 Business Low Loader Platform Cab Luton, finished in classic white. This versatile and practical commercial vehicle is powered by a punchy and efficient 2.3-litre diesel engine delivering 135 BHP, making it perfect for businesses needing a reliable and spacious workhorse. As a front-wheel-drive model with a long wheelbase, it offers an impressive load capacity and easy access via the rear barn doors, making loading and unloading a breeze. Equipped with essential features such as air conditioning, cruise control, and Bluetooth connectivity for comfort and connectivity on the road, it also includes electric mirrors and windows, DAB radio, and power-

assisted steering for added convenience and control. Whether you're transporting goods, equipment, or materials, this Renault Master is a superb choice for a business looking for a capable and modern commercial vehicle.
