Description

Here we have a 2019 Volkswagen Crafter CR35 TDI 177 Trendline, a long-wheelbase high roof van that's perfect for business use, finished in classic white and powered by a robust 2.0 TDI engine producing 177 BHP. With front-wheel drive and an automatic transmission, this van is designed to provide excellent handling and driving comfort, even on long journeys or when carrying heavy loads. Its specification includes air conditioning to keep the cabin comfortable, cruise control for those longer motorway trips, and satellite navigation to help you reach your destination efficiently. The DAB radio, Bluetooth connectivity, and electric windows and mirrors enhance convenience and entertainment. Additional features include front fog lights for improved visibility, rear parking

sensors for easy manoeuvring, remote central locking for security, and PAS (power-assisted steering) for effortless control. A superb all-rounder, ideal for businesses needing a dependable and well-equipped large van.
