#### Description

2020 (20 reg) Mercedes-Benz Sprinter 315 CDI 150 BHP L4H3 PROGRESSIVE, finished in Arctic White and boasting the extra-long wheelbase (XLWB) with a super high roof for maximum cargo capacity. This van is powered by the proven 2.1 CDI engine delivering 150 BHP, paired with the smooth 9G-TRONIC automatic gearbox and rear-wheel drive, ensuring a balanced mix of performance and reliability. This Sprinter comes packed with key features, including Air Conditioning for year-round comfort, Cruise Control for relaxed long-distance driving, and Auto On Headlights for added

convenience and safety. The in-cab technology is modern and functional, with DAB Radio and Bluetooth Connectivity for seamless media and communication, complemented by Electric Windows and Remote Central Locking for ease of use. Power Assisted Steering (PAS) ensures excellent manoeuvrability, even when fully loaded. A versatile and dependable workhorse, perfect for logistics companies, delivery businesses, and trades needing a spacious and reliable large panel van with exceptional driver comfort and efficiency.
