## Description

Offered here is a 2021 (71 reg) Mercedes-Benz Vito 116 2.0 CDI Progressive, finished in Arctic White. This L3 H1 long wheelbase variant is powered by a 2.0-litre 163 BHP diesel engine and paired with Mercedes' smooth 9G-TRONIC automatic gearbox. It's Euro 6 compliant and designed to deliver a strong combination of comfort, reliability, and efficiency — ideal for business use or long-distance work. Key Exterior Features: The Vito stands out with its clean, professional look, enhanced by Auto Headlights and body-coloured bumpers. It also features Electric Mirrors & Windows

for added convenience and visibility, as well as a Reverse Camera to make reversing safer and easier — especially in busy work environments.

Key Interior Features: Inside, you'll find a Ply Lined load area with a solid Bulkhead to separate the cab, adding security and noise reduction. The cabin is equipped with a Multifunction Steering Wheel with integrated Trip Computer, Cruise Control for relaxed motorway driving, and Bluetooth connectivity to keep you hands-free and connected on the go.

Extra Features: Additional spec includes DAB Radio for enhanced audio quality, Power Assisted Steering (PAS) for easy handling, and electric convenience features throughout.

With its extended length and refined drive, this Vito is a premium van solution for those who value capability and comfort in one sleek package.
