Description

The 2023 23 reg Volkswagen Caddy C20 2.0 TDI 102 BHP Commerce Plus Fridge Van is a modern, efficient, and highly practical solution for businesses requiring reliable refrigerated transport. Powered by a refined 2.0 TDI engine producing 102 BHP, it delivers excellent fuel efficiency while maintaining smooth and capable performance, making it ideal for urban deliveries and longer routes alike.

Finished in White, this Caddy presents a clean, professional appearance, perfectly suited to business use. Its fridge van conversion ensures goods are kept at the right temperature, with the lined cargo area and bulkhead providing both durability and separation from the cabin.

The interior has been designed for driver comfort and convenience, equipped with cruise control, Bluetooth connectivity, auto headlights, electric mirrors and windows, and a DAB radio to keep journeys smooth and enjoyable. Power assisted steering (PAS) further enhances handling, particularly in busy urban environments.

Complete with parking sensors for ease of manoeuvring, this Volkswagen Caddy Commerce Plus Fridge Van is a dependable and professional choice, combining Volkswagen quality with the practicality of a temperature-controlled load space—making it the perfect partner for businesses in the catering, delivery, or pharmaceutical sectors.
