Description

This 2023 (23) Mercedes Vito 116 2.0 CDI 163 BHP L2H1 Premium 9G-Tronic Auto combines refined styling with the practicality and capability expected from the Mercedes-Benz commercial range. Powered by a responsive 2.0 CDI engine paired with the smooth 9G-Tronic automatic gearbox, it delivers both efficiency and performance for professional and personal use alike.

Finished in sleek silver, the exterior is complemented by alloy wheels, auto headlights, and front fog lights, giving it a modern, high-quality presence. Parking sensors and a reverse camera ensure stress-free manoeuvring, while satellite navigation keeps you on the right track wherever the

job takes you.

Inside, the premium specification ensures a comfortable and connected drive, featuring air conditioning, cruise control, and Bluetooth connectivity. The well-designed cabin includes electric mirrors and windows, along with practical touches like a bulkhead and ply lining for added protection and load security.

A rear tailgate offers easy access to the load area, and power assisted steering (PAS) ensures effortless handling in all driving situations. This Vito blends comfort, convenience, and functionality, making it an ideal choice for businesses seeking a professional image without compromising on practicality.
