## Description

Offered here is a 2020 (69 reg) Ford Transit Connect 210 1.5 TDCi 100 L2 H1 Fridge Van, finished in professional Frozen White and designed specifically for businesses requiring temperature-controlled transport. Powered by a fuel-efficient 1.5-litre diesel engine and benefiting from the extended L2 wheelbase, this van is ideal for chilled deliveries in both urban and rural settings.

The clean exterior is complemented by Parking Sensors, making tight deliveries and city manoeuvres simple and stress-free. Its L2 body style provides generous refrigerated cargo capacity while maintaining a compact footprint, perfect

for navigating narrow streets and busy delivery routes.

Inside, this Connect features Bluetooth connectivity for seamless hands-free communication, Electric Windows for added convenience, and a Bulkhead to insulate the cabin from the chilled rear section. The lined interior ensures easy cleaning and maintains hygiene standards — an essential for transporting perishables.

Professionally converted into a Fridge Van, it's ideally suited for businesses in food delivery, catering, floristry, pharmaceuticals, or any industry requiring reliable, temperature-controlled transport. DAB Radio, Power Assisted Steering (PAS), and practical cabin ergonomics round out this efficient and business-ready van.

Flexible finance options available — get in touch today to arrange a viewing or learn more.
