Description

Offered here is a 2020 Ford Transit Custom 340 TDCi 130 L1H1 Leader EcoBlue SWB Low Roof FWD, combining dependable performance with everyday practicality. Powered by a 2.0-litre diesel engine, this Euro 6 compliant model is ideal for both urban jobs and longer-distance haulage.

Key Exterior Features: Finished in classic White, this short wheelbase low-roof van features an upward-opening tailgate at the rear — a practical upgrade over traditional barn doors, offering easier access and shelter during loading. Clean body lines and durable build quality highlight the van's robust, work-ready character.

Key Interior Features: Inside, the cabin comes equipped with Air Conditioning for driver comfort, DAB Radio for

entertainment, and Electric Windows for convenience. Power Assisted Steering (PAS) and Remote Central Locking further improve usability and everyday driving comfort.

Extra Features: The load area has been upgraded with professional metal shelving and built-in cupboards, delivering organised, secure storage — perfect for tradespeople and mobile professionals. This custom racking solution helps maximise productivity while keeping equipment safe and accessible on the go.

Conclusion: This 2020 Transit Custom is a practical and dependable solution for any trade or business needing efficient transport with smart storage solutions. With its low running costs, useful upgrades, and versatile layout, it's ready to support your workload from day one. A solid investment for any growing fleet or independent contractor.
