Description

Offered here is a new model Ford Transit Custom 280 TDCi 136 L1H1 Limited EcoBlue, finished in sleek Black and packed with an impressive list of factory-fitted options. This short wheelbase, low roof van blends sharp looks with intelligent features and professional-grade performance. Powered by a responsive 2.0-litre Euro 6 diesel engine producing 136 BHP, it's the perfect tool for tradespeople, business owners, or fleet buyers looking for a modern, high-spec workhorse.

Key Exterior Features: The van stands out with eye-catching Alloy Wheels and is equipped with Front and Rear Parking Sensors plus a Reverse Camera for easy manoeuvring in

tight spots. LED Headlamps offer brighter, more energy-efficient lighting, while the Heated Windscreen provides added convenience on frosty mornings. The bold Black finish gives this Transit Custom a premium and commanding road presence.

Key Interior Features: Inside, this Limited model boasts a high-spec interior designed for comfort and connectivity. Features include a Digital Cockpit, Colour Touchscreen, Apple CarPlay and Android Auto for seamless smartphone integration, Bluetooth, and a Digital Radio. Heated Seats, Air Conditioning, Electric Windows, and Cruise Control all contribute to a driver-focused, comfortable experience on the road.

Extra Features: Also included are Electric Heated and Adjustable Mirrors for all-weather visibility and added safety, as well as a host of smart ergonomic touches throughout the cabin. This new model Transit Custom offers the perfect combination of versatility, luxury, and practicality — ideal for business or personal use.

Flexible finance packages are available to suit your needs — please don't hesitate to ask for more details. This is a rare opportunity to secure a premium-spec Transit with no long wait times. Get in touch today to arrange a viewing or test drive!
