### Description

Offered here is a New Model Peugeot Partner 1000 BlueHDi 100 L1H1 Professional Standard, finished in White and equipped with a host of factory-fitted features. Compact, economical, and business-ready, this Partner is powered by a 1.5-litre BlueHDi diesel engine producing 100 BHP — making it the ideal van for tradespeople, couriers, and fleet users looking for everyday efficiency with modern driving convenience.

**Key Exterior Features:** The clean White finish offers a sharp, professional look, while Rear Parking Sensors provide added confidence when reversing or manoeuvring in tight spaces.

Electric Door Mirrors and Auto-On Headlights enhance safety and ease of use, whether you're driving early mornings or after dark.

**Key Interior Features:** Inside, the Professional trim delivers a comfortable and tech-savvy workspace. Features include Air Conditioning, Cruise Control, Electric Windows, DAB Digital Radio, and Bluetooth Connectivity (if applicable), all contributing to a smooth and connected driving experience. The ergonomic layout ensures everything is within easy reach for the driver.

**Extra Features:** The van is fitted with Power-Assisted Steering (PAS) for responsive handling, and Remote Central Locking for quick and secure access to the vehicle. Its compact L1H1 body style makes it perfect for navigating city streets without sacrificing load space.

This new model Peugeot Partner Professional offers an excellent balance of economy, equipment, and everyday usability. With its full feature set, smart design, and fuel-efficient engine, it's ready to support your business from day one. Flexible finance options available — contact us today to arrange a viewing or test drive and secure this ready-to-work van.
