Description

Offered here is a 2021 (21 reg) Mercedes-Benz Sprinter 315 2.0 CDI 150 BHP L2 H2, finished in classic Arctic White and delivering the ideal balance of power, space, and refinement. This medium wheelbase, high roof configuration is well-suited to a variety of commercial uses, from courier work to trades and specialist transport.

The clean and professional exterior is complemented by practical features such as Auto Headlights, a factory-fitted Tow Bar for added utility, and Electric Windows for ease of operation. The L2 H2 body offers a great blend of cargo capacity and accessibility, while still being manageable around town or on tighter job sites.

Inside, the cabin is both functional and driver-focused, boasting a Multi-Function Steering Wheel for effortless control, Bluetooth Connectivity for hands-free communication, Cruise Control to ease longer journeys, and a Ply Lined rear for added protection of both the load area and your cargo. The solid Bulkhead adds extra safety and sound insulation, enhancing the van's usability in demanding environments.

With its strong 150 BHP power output, refined drive, and practical features, this Sprinter is an excellent choice for businesses that value reliability, comfort, and long-term cost efficiency. Finance options available – contact us today to find out more or to arrange a test drive.
