Description

2019 Volkswagen Caddy C20 1.4 TSI Trendline BMT Panel Van, a versatile and economical compact commercial vehicle with semi-automatic transmission and petrol engine, ideal for city-based operations or trades requiring nimble, efficient transport. With Volkswagen's renowned build quality and engineering, this Caddy delivers car-like driving comfort with practical load-lugging capability.

Finished in a clean, professional appearance, the compact body design is ideal for urban environments where manoeuvrability is key. The rear parking sensors make reversing and tight space navigation effortless, while remote central locking ensures security and convenience for daily

use.

Inside, the cabin provides a refined and driver-friendly environment. The semi-automatic gearbox makes for a relaxed drive, especially in stop-start traffic. The specification includes Satellite Navigation, Cruise Control, a CD Player, and Electric Door Mirrors and Windows, offering a blend of comfort, entertainment, and efficiency. Power Assisted Steering (PAS) enhances ease of driving, particularly in tighter spots.

Perfect for sole traders, small businesses, or city couriers, this Volkswagen Caddy combines German reliability, smart tech, and everyday usability in one compact, capable van. Enquire today to arrange a test drive or reserve this fantastic example.
