Description

This 2019 69 reg Mercedes Sprinter 314 2.1 CDI 143 BHP L2 Single Cab Alloy Arborist Tipper Auto is a purpose-built commercial solution designed to meet the demands of arborists, landscapers, and contractors who need a robust and reliable vehicle with professional-grade capability. Finished in Arctic White, this new-build tipper combines Mercedes-Benz engineering with a tailored alloy body for efficient load handling and clean presentation on site.

The smart single cab design is matched with a lightweight

alloy tipper body, offering durability and ease of use—ideal for transporting green waste, timber, tools, or bulky materials. Its automatic gearbox delivers smooth performance, reducing driver fatigue and making stop-start site work or urban driving a breeze.

Inside the cabin, functionality and comfort are thoughtfully integrated with a Multi Function Steering Wheel, Cruise Control, and Bluetooth connectivity, providing hands-free communication and effortless control during long days on the road. Auto Headlights and Electric Windows further enhance convenience and safety for the driver.

Whether you're running a tree surgery business, a landscaping operation, or a maintenance crew, this vehicle delivers a dependable workhorse that's ready to perform while maintaining a clean, professional image. Backed by the reliability and performance of the Mercedes-Benz Sprinter range, this Arborist Tipper Auto is a specialist tool built for demanding jobs and serious productivity.
