Description

The 2022 Renault Master MM 35 2.3 dCi 135 BHP Business MWB Medium Roof in classic White combines robust performance with practical features, making it a dependable choice for a wide range of commercial applications. This mid-wheelbase van with a medium roof height offers ample cargo space while maintaining ease of handling and maneuverability.

Equipped with parking sensors, the vehicle makes tight spaces more accessible, enhancing safety and convenience. Bluetooth connectivity keeps the driver connected on the move, while DAB radio provides quality entertainment. The interior is protected by a bulkhead and ply lining, ensuring durability and safeguarding the cargo area.

Additional features such as a tow bar, electric mirrors, electric windows, and power-assisted steering contribute to a comfortable and versatile driving experience. This Renault Master is well-suited to industries such as delivery and logistics, trades, maintenance, and service sectors where reliability and practicality are essential.
