Description

This 2021 21 reg Ford Transit Custom 300 2.0 TDCi 130 L2H1 Limited EcoBlue strikes the perfect balance between style, capability, and comfort, making it an ideal choice for professionals looking to elevate their business image while enjoying all the benefits of a high-spec commercial vehicle. Finished in Frozen White, it delivers a modern and professional presence on the road, enhanced by factory-fitted alloy wheels and chrome detailing.

Externally, the van is equipped with front and rear parking sensors for added convenience, while automatic headlights and front fog lights ensure visibility and safety in all conditions. The longer wheelbase (L2) configuration provides increased

load capacity without compromising on manoeuvrability—perfect for tradesmen, delivery services, or custom conversions.

Inside, the cabin features a well-appointed interior packed with convenience and comfort, including air conditioning, cruise control, and a multifunction steering wheel. Bluetooth connectivity, DAB radio, and electric mirrors and windows ensure the driver remains in control and connected throughout the day. The ply-lined rear load area, combined with a solid bulkhead, ensures durability and secure separation between cargo and cabin space.

With its strong 130PS EcoBlue engine and smooth 6-speed manual gearbox, this Transit Custom offers both refined performance and fuel efficiency. It's an excellent all-rounder for any business looking to project a sharp, professional image while maintaining full practicality and versatility.
