Description

The 2022 22 reg Volkswagen Crafter CR35 2.0 TDI 140 Startline LWB High Roof finished in White is a highly capable large van, designed to deliver outstanding practicality, efficiency, and comfort for demanding commercial use. Powered by a 140 BHP 2.0-litre TDI engine, this model provides strong performance with the reliability and refinement expected from Volkswagen's renowned engineering.

Externally, the Crafter is built for business with its long wheelbase and high roof design, offering exceptional load capacity and ease of access. Practical touches such as parking sensors aid manoeuvrability, while its clean, professional finish ensures it presents well for any trade or

business. The load area is ply lined and fitted with a bulkhead, providing both protection and durability for heavy use.

Inside, driver comfort is prioritised with air conditioning for climate control and Bluetooth connectivity for seamless hands-free communication. Additional features such as electric windows and power assisted steering (PAS) make daily driving effortless, even on longer journeys or when navigating busy urban environments.

Perfectly suited to trades, delivery services, and logistics operations, this Volkswagen Crafter Startline combines excellent carrying capacity with modern features, making it a dependable and versatile choice for any business fleet.
