Description

Now available is this 2021 (21 reg) Volkswagen Crafter CR35 2.0 TDI 140 Startline LWB Low Loader Platform Cab Luton, finished in clean, professional White. Designed to handle demanding commercial use, this Crafter delivers both practicality and presence, making it an ideal solution for logistics, delivery, or trade professionals requiring generous load space with easy access.

Externally, this Luton model benefits from a purpose-built low loader chassis, providing an ultra-low floor height for effortless

loading and unloading — perfect for bulky or heavy goods. Rear barn doors and a high-volume box body make it suitable for a wide range of transport requirements, from furniture and equipment to larger parcels or tools. The reverse camera offers excellent rear visibility when parking or navigating tight areas, enhancing safety and driver confidence.

Inside, the cab is equipped with air conditioning for year-round comfort, alongside Bluetooth connectivity and DAB radio to keep drivers connected and entertained on the move. Electric windows add to the convenience, while power-assisted steering ensures a smooth driving experience, even when fully loaded.

Powered by the proven 2.0 TDI 140PS engine, this Crafter strikes a great balance between performance and economy, with Volkswagen's robust engineering ensuring long-term durability and reliability.

A superb example of a well-equipped and ready-for-work Luton van, this VW Crafter Low Loader is an ideal choice for any business in need of space, strength, and convenience. Contact us today to book a viewing or explore flexible finance solutions tailored to your needs.
