## Description

The 2023 (72) Renault Master LM35 2.3 DCI 135 BHP Advance LWB Medium Roof offers impressive load capacity, modern styling, and reliable performance—making it an ideal choice for a wide range of commercial needs. Finished in crisp White, it delivers a clean and professional look that suits any business sector.

Powered by a 135 BHP 2.3-litre DCI diesel engine, this long wheelbase, medium roof model combines strength and efficiency, ensuring it can handle heavy-duty workloads with ease. Practical features such as parking sensors make manoeuvring simpler, while air conditioning keeps the cabin comfortable throughout the day.

Inside, you'll find a bulkhead for added safety and load security, with a ply-lined cargo area to protect the vehicle's interior. The specification also includes Bluetooth for hands-free communication, electric mirrors and windows for convenience, DAB radio for clear audio, and PAS (Power Assisted Steering) for an easy driving experience.

With its strong engine, practical load space, and well-equipped cabin, this Renault Master Advance is a dependable and versatile workhorse built to meet the demands of modern business.
