Description

This 2021 71 reg Mercedes Vito 116 2.0 CDI 163 BHP L3 H1 Progressive 9G-Tronic Auto blends business practicality with premium comfort and refined automatic performance. Finished in Arctic White and offering the sought-after long wheelbase (L3) layout, this van is engineered to meet the demands of modern professionals who value load space, style, and convenience in one efficient package.

Its clean and confident exterior is complemented by features such as Auto Headlights, Front Fog Lights, Electric Mirrors,

and a Reverse Camera, making visibility and manoeuvring straightforward in any working environment. The Progressive trim adds a sharp look and enhanced equipment, ideal for representing your business with a professional edge.

Inside, the cabin offers a comfortable, tech-forward experience with a multifunction steering wheel linked to a trip computer, DAB radio, Bluetooth connectivity, and Cruise Control for effortless long-distance driving. The automatic 9G-Tronic transmission ensures smooth gear changes and an enjoyable driving experience, while Electric Windows and user-friendly controls add to the everyday convenience.

At the rear, a practical Bulkhead and full Ply Lining provide a durable and protected load space, making it well-suited for transporting tools, equipment, or goods. Whether you're a sole trader, fleet operator, or business owner, this Vito delivers premium Mercedes-Benz engineering with impressive practicality and comfort.

An ideal long-wheelbase automatic van with high spec and great looks—ready to work and represent your business with confidence.
