## Description

This 2019 19 reg FORD TRANSIT CONNECT 210 1.5 TDCI 100 BHP L2 H1 BASE FRIDGE VAN is a versatile, efficient and reliable solution for temperature-controlled transport, finished in classic Frozen White. Designed with practicality and economy in mind, this long wheelbase, low roof refrigerated van is ideal for food delivery services, catering businesses or pharmaceutical logistics.

The exterior offers a clean and professional look, while compact proportions allow for easy navigation through urban areas. Inside the insulated and lined load space is a fridge conversion, ensuring your goods remain cool and secure throughout the journey, with a solid bulkhead separating the

cab from the chilled compartment.

Driver convenience is supported by features such as Bluetooth connectivity for hands-free communication, DAB radio, electric windows, and power-assisted steering. Whether you're operating in a city centre or on longer regional routes, this Transit Connect Fridge Van delivers low running costs, dependable performance, and excellent load capability.

A dependable cold chain partner, this well-maintained example is ready to get to work.
