Description

The 2021 21 reg Mercedes Sprinter 315 2.0 CDI 150 BHP L3 H2 is a dependable and versatile van, combining Mercedes-Benz build quality with impressive practicality and performance. Powered by a strong 2.0-litre CDI engine producing 150 BHP, this Sprinter offers the power and efficiency needed for long-distance travel and heavy-duty work, making it a trusted choice for business use.

Finished in Arctic White, it delivers a clean, professional look that is perfectly suited to fleet or trade use. The extended L3 H2 body provides excellent load capacity, while the bulkhead and ply lining ensure durability and protection for both the driver and cargo.

Inside, the cabin is designed with comfort and convenience in mind, featuring a multi-function steering wheel, cruise control, and Bluetooth connectivity to keep you in control on the road. Practical touches such as auto headlights, electric windows, and a DAB radio enhance the driving experience, while power assisted steering (PAS) ensures smooth handling even when fully loaded.

Well-specified and built to handle demanding workloads, this Mercedes Sprinter 315 L3 H2 is a highly practical and reliable van, making it the perfect partner for businesses requiring strength, space, and efficiency.
