Description

The 2020 (20) Mercedes-Benz Sprinter 314 2.1 CDI 143 BHP L3 H2 combines exceptional practicality with the renowned build quality and driving comfort of the Mercedes-Benz range. Finished in stylish Silver, this long wheelbase, high roof model offers generous load capacity, making it an ideal solution for businesses requiring both space and efficiency.

Powered by a 2.1-litre CDI diesel engine producing 143 BHP, it delivers smooth, reliable performance with ample power for heavy loads and long-distance journeys. The L3 H2 configuration ensures excellent cargo volume, while the bulkhead and ply lining provide protection for both driver and load.

Inside, the cabin is well-appointed with a multi-function steering wheel for easy control access, cruise control for relaxed motorway driving, and Bluetooth connectivity to keep you connected on the go. Additional features include auto headlights, electric windows, DAB radio, and PAS (Power Assisted Steering) for enhanced driving convenience.

Built for durability yet offering comfort and refinement, this Sprinter is perfectly suited to a variety of commercial applications, from deliveries to trade work, while maintaining the professional image your business deserves.
