Description

This 2021 71 reg MERCEDES SPRINTER 315 2.0 CDI 150 BHP L3 H2 PROGRESSIVE is finished in elegant Arctic White and delivers the ideal combination of performance, space, and advanced driver convenience, making it a highly capable choice for both business and long-haul operations.

The exterior is designed for practicality and professionalism, boasting front and rear parking sensors, a reverse camera for easy manoeuvring, and automatic headlights for enhanced safety during changing light conditions. The longer L3 body and H2 high roof configuration provide excellent cargo space and headroom, while the van's bold presence reflects the premium Mercedes-Benz standard.

Inside, the cabin is built for driver comfort and functionality, featuring a multi-function steering wheel, cruise control, and a fully integrated satellite navigation system to help you stay connected and efficient on the road. Air conditioning ensures a comfortable drive in all weather conditions, while Bluetooth connectivity, DAB radio, and electric mirrors and windows enhance usability and in-cab convenience.

Additional practical features include a factory-fitted bulkhead, full ply lining in the load area, and power assisted steering (PAS) for smooth handling. This Sprinter comes well-equipped and is an outstanding solution for businesses requiring space, technology, and reliability in one refined package.
