This 2021 71 reg MERCEDES SPRINTER 315 2.0 CDI 150 BHP L3 H2 PROGRESSIVE is presented in Arctic White and combines exceptional load capacity, premium refinement, and advanced driver assistance features—making it an outstanding asset for professional use. Backed by Service History, it offers both peace of mind and proven reliability.

Externally, the van boasts a confident, professional stance with its L3 H2 long wheelbase high roof configuration, providing superb cargo volume for a wide range of applications. Features such as parking sensors, a reverse

camera, and automatic headlights ensure safety and ease when navigating tight spaces or busy worksites.

Inside, the cabin is focused on driver comfort and convenience with a multi-function steering wheel, cruise control, and air conditioning for a relaxed driving experience. The satellite navigation system and Bluetooth connectivity keep you informed and connected on the move, while DAB radio, electric mirrors, and electric windows enhance everyday functionality.

Practical touches like a factory-fitted bulkhead, full ply lining in the load space, and power assisted steering (PAS) reinforce this Sprinter's readiness for demanding commercial tasks. A dependable, spacious, and well-equipped van, perfect for businesses looking to invest in quality and capability.
