Description

this 2020 Mercedes-Benz Sprinter 316 CDI 2.1L AWD Panel Van offers power, precision, and practicality in one exceptional package. With its rare All-Wheel Drive capability and comprehensive factory specification, it's perfectly suited for those needing extra traction and performance without compromising on comfort or storage flexibility.

Finished in classic white, this manual diesel Sprinter commands presence with a robust, professional look, enhanced by practical features like rear parking sensors, rear view camera, tow bar, rear mud flaps, and additional security locks for peace of mind. Roof vents ensure better airflow within the cargo space, while the heavy-duty 250A alternator

underlines its readiness for high-demand applications.

Step into the refined and climate-controlled cabin and you'll find Air Conditioning, Satellite Navigation, Cruise Control, and a DAB Radio at your fingertips. The Multi-Function Display is complemented by Auto Headlights, a comfortable armrest, and heated, electric-adjustable mirrors. Remote central locking and electric windows streamline daily usability, while safety and comfort are enhanced for long drives and tough jobs.

The rear cargo area is equally impressive, featuring rear metal internal racking and a full spare wheel, making it ideal for mobile workshops or trades requiring organised storage. Additional touches like heated door mirrors, climate control, and comprehensive factory fittings elevate the practicality and comfort for professional use.

This AWD Sprinter is a rare, capable, and ready-to-work van, tailored for businesses needing reliability, load space, and off-road versatility in one high-spec, premium commercial vehicle.
