Description

The 2021 (21) Ford Transit Custom 340 2.0 TDCi 130 L1H1 Trend EcoBlue is a well-equipped, short wheelbase van that combines practicality, modern technology, and dependable performance. Finished in Frozen White, it delivers a clean and professional appearance, perfectly suited for business use while maintaining a smart, contemporary look.

Powered by a 130 BHP 2.0-litre EcoBlue diesel engine, it offers strong performance and efficiency, making it equally capable in city driving or long-distance work. The Trend trim enhances everyday usability with premium features such as satellite navigation, air conditioning, and cruise control, ensuring every journey is comfortable and connected.

Built with productivity in mind, this van features a full bulkhead and lined load area for protection, internal racking for organised storage, an inverter for on-the-go power, and a vice for workshop capability wherever you are. Added security comes in the form of a high security lock, and parking sensors make manoeuvring stress-free. Auto headlights, front fog lights, and electric mirrors & windows further add to driver convenience.

With its robust build quality, work-focused features, and versatile load solutions, this Transit Custom Trend is an ideal choice for businesses looking for a ready-to-work van that delivers on all fronts.
