Description

The 2020 (20) Ford Transit Custom 340 2.0 TDCi 130 L1H1 Trend EcoBlue delivers the perfect blend of capability, comfort, and practicality, making it a highly sought-after choice for professionals. Finished in Frozen White, it presents a clean, modern, and professional appearance that reflects its well-kept condition and purposeful design.

Powered by a 130 BHP 2.0-litre EcoBlue diesel engine, this short wheelbase model offers responsive performance and impressive fuel efficiency, ideal for both urban work and longer motorway drives. The Trend specification brings enhanced comfort and technology, including satellite navigation, air conditioning, and cruise control for a more relaxed and

connected driving experience.

Practicality is at the forefront, with a full bulkhead and lined load area to protect your cargo space, internal racking for organised storage, and an inverter to power tools or equipment on the go. Security is strengthened by a high security lock, giving extra peace of mind when leaving valuable items in the van. Parking sensors make manoeuvring in tight spaces effortless, while auto headlights, front fog lights, and electric mirrors & windows add to the ease of use.

With its smart specification, business-ready features, and robust build quality, this Transit Custom Trend is a versatile, dependable, and secure workhorse designed to keep your business moving efficiently.
