Description

The 2021 (71) Ford Transit Connect 220 1.5 TDCi 120 L1H1 Trend EcoBlue is a compact yet highly capable van, perfect for businesses needing a balance of manoeuvrability, comfort, and practicality. Finished in Frozen White, it presents a clean and professional look that suits any trade or service role.

Powered by a 120 BHP 1.5-litre EcoBlue diesel engine, it offers smooth performance with excellent fuel efficiency, making it ideal for both city deliveries and longer journeys. The Trend specification adds everyday convenience with satellite navigation, air conditioning, and Bluetooth connectivity, ensuring you stay connected and comfortable while on the move.

Designed for practicality, this model comes with a full bulkhead and lined load area to protect both your cargo and the van's interior. Parking sensors assist with tight manoeuvres, while auto headlights, front fog lights, and electric mirrors & windows add to the driver's ease of use. Entertainment and information are taken care of with DAB radio, and PAS (Power Assisted Steering) ensures a light and responsive drive.

Compact, efficient, and well-equipped, this Transit Connect Trend is the ideal solution for those who need a smaller van without compromising on capability or comfort.
