Description

The 2022 (22) Renault Trafic SL28 2.0 dCi Blue 130 Business SWB Low Roof offers a perfect balance of practicality, efficiency, and modern design, making it a standout choice for both tradespeople and fleet operators. Finished in sleek Grey, it combines a professional look with a durable build, ensuring it performs as well as it presents.

The low roof design allows for easier access to height-restricted areas while still offering generous cargo capacity, enhanced by a full bulkhead and ply lining to protect

the load space.

Inside, you'll find cruise control for relaxed motorway journeys, Bluetooth connectivity for hands-free calls and media streaming, and electric windows and mirrors for everyday convenience. Auto headlights add an extra layer of safety and ease, while PAS (Power Assisted Steering) ensures smooth and precise handling in all driving conditions.

With its combination of robust build quality, efficient performance, and essential business features, this Renault Trafic Business SWB is a dependable and versatile van built to meet the demands of modern professionals.
