Description

The 2019 69 reg Toyota Hilux 2.4 D-4D 150 Active 4WD Single Cab, finished in White, is a robust and highly capable pickup designed to deliver strength, practicality, and reliability in demanding working environments. Powered by the proven 2.4 D-4D 150 BHP engine, paired with 4WD capability, it provides the durability and performance needed for both on-road and off-road use, making it an excellent workhorse for a variety of industries.

Externally, this Hilux is equipped with a Truckman Top and load liner, ensuring secure and protected storage space, while parking sensors provide added confidence and ease when manoeuvring. The clean White finish enhances its

professional image, making it equally suitable for business use or rugged outdoor work.

Inside the cabin, the focus is on driver comfort and efficiency, with features such as air conditioning, Bluetooth connectivity, and electric mirrors and windows providing convenience on every journey. The addition of internal racking maximises storage organisation, making it a practical solution for trades and businesses requiring quick access to tools and equipment.

Supported by power-assisted steering (PAS) for improved handling and manoeuvrability, this Hilux is as easy to drive as it is tough and reliable.

Overall, this Toyota Hilux Active Single Cab combines Toyota’s renowned durability with thoughtful features and practical storage solutions, making it a dependable choice for professionals who need a pickup that works as hard as they do.
