The 2021 21 reg Renault Master MH35 2.3 DCI 135 BHP Business MWB High Roof, finished in White, is a versatile and dependable van designed to deliver both practicality and efficiency for a wide range of commercial needs. Powered by a strong 135 BHP 2.3 DCI engine, it offers the balance of performance and economy expected from Renault's trusted Master range, making it ideal for businesses seeking a reliable workhorse.

On the exterior, the clean White finish is complemented by parking sensors to assist with maneuvering in tighter spaces, while the high roof MWB configuration provides excellent load capacity without compromising accessibility.

The interior is built with both comfort and functionality in mind. Features include satellite navigation for seamless route planning, air conditioning for a comfortable drive in all conditions, and Bluetooth connectivity to keep you connected on the move. A bulkhead separates the cabin from the load area, which comes lined and fitted with internal racking—ideal for organising tools, equipment, or cargo securely.

Extra conveniences include electric mirrors and windows, digital radio (DAB) for in-cab entertainment, and power-assisted steering (PAS) for effortless driving.

Overall, this Renault Master Business model combines a practical high-roof body with thoughtful interior features, making it an excellent choice for businesses needing a capable and well-equipped medium wheelbase van.
