Description

The 2021 21 reg Ford Ranger 2.0 TDCi 130 BHP XL EcoBlue 4WD Single Cab finished in Frozen White is a tough, reliable pickup designed to handle both demanding work and everyday driving with ease. Powered by a 2.0 TDCi EcoBlue engine producing 130 BHP, it delivers strong performance alongside excellent efficiency, while the 4WD system ensures confidence and control across all terrains.

Built for practicality, the single cab layout offers a spacious load area, enhanced further by a load liner to protect the bed from heavy-duty use. The addition of a tow bar makes this Ranger a capable workhorse, ideal for hauling equipment or trailers, perfectly suited to both trade and agricultural use.

Inside the cabin, you'll find a comfortable and functional driving environment with air conditioning, Bluetooth connectivity,

digital radio (DAB), and electric windows, ensuring convenience and connectivity throughout the day.

With its rugged build, strong towing ability, and no-nonsense design, this Ford Ranger XL EcoBlue Single Cab is a dependable pickup that's ready to take on hard work while keeping comfort and reliability at the forefront.
