Description

The 2019 19 reg Toyota Hilux 2.4 D-4D Active 4WD Double Cab finished in White is a tough and dependable pickup, built to handle both demanding work environments and everyday driving with ease. Powered by the reliable 2.4 D-4D engine, this Hilux delivers excellent performance with the reassurance of four-wheel drive capability, making it a versatile choice for on- and off-road use.

Its rugged exterior design is complemented by the practical Double Cab layout, offering additional passenger space while maintaining a strong load bed for work or leisure use. Fitted with a tow bar, it's ideal for hauling trailers or equipment, while its robust build ensures durability in any environment.

Inside, the cabin is equipped with essentials for comfort and convenience, including air conditioning, Bluetooth connectivity,

CD player, power assisted steering (PAS), and electric mirrors and windows, ensuring a straightforward and user-friendly driving experience.

With its proven reliability, spacious double cab design, and strong 4WD performance, this Toyota Hilux Active is the perfect solution for those seeking a pickup that blends practicality, toughness, and everyday usability.
