Description

2023 23 reg MERCEDES SPRINTER 315 2.0 CDI 150 BHP L2 H2 PREMIUM 9G-TRONIC AUTO finished in ARCTIC WHITE, delivering the perfect balance of strength, refinement, and advanced technology. This premium model offers exceptional versatility and performance, ideal for both business and long-distance use.

On the exterior, the van presents a commanding look with its long wheelbase high roof design, finished in classic Arctic White and complemented by practical features such as ply

lining and a full bulkhead for added protection and durability.

Inside, comfort and connectivity are prioritised, with air conditioning, a multi-function steering wheel, cruise control, Bluetooth, electric windows, DAB radio, and Power Assisted Steering (PAS) all enhancing the driving experience.

Extra convenience is provided by automatic headlights, making every journey smoother and safer. This Sprinter stands out as a high-quality, professional choice for operators needing both capability and comfort in one complete package.
