## Description

The 2023 23 reg Mercedes Sprinter 315 2.0 CDI 150 BHP, finished in Arctic White, is a modern, powerful, and versatile large van designed to deliver exceptional performance and practicality for business use. With its strong 150 BHP 2.0 CDI engine, it offers smooth power delivery, efficiency, and reliability, making it a trusted choice for professionals who demand capability and durability.

Externally, the van presents a clean and professional look in Arctic White, complemented by parking sensors and a

reverse camera that make manoeuvring and loading in tight spaces stress-free. The auto headlights ensure optimal visibility, while the robust build and ply-lined load area provide durability for demanding workloads.

Inside, the cabin is built around driver comfort and functionality. The multi-function steering wheel gives easy access to key controls, while air conditioning and cruise control make long journeys far more comfortable. Bluetooth connectivity keeps communication hands-free and efficient, while electric windows and DAB radio bring modern convenience to the driving experience.

Practicality is further enhanced with a full bulkhead and ply-lined interior, ensuring cargo is safe, secure, and the van remains protected for heavy-duty use. Supported by power-assisted steering (PAS), the Sprinter remains easy to handle despite its size.

Overall, this Mercedes Sprinter 315 combines strength, comfort, and advanced technology, making it a premium and dependable choice for businesses needing a spacious, reliable, and well-equipped van.
