Description

The 2023 23 reg Mercedes Sprinter 315 2.0 CDI 150 BHP, finished in Arctic White, offers the perfect combination of power, practicality, and Mercedes-Benz refinement. With its strong 150 BHP diesel engine, this LCV is built for demanding workloads while maintaining impressive efficiency and durability, making it a trusted choice for business and commercial use.

Externally, the Sprinter presents a clean and professional image with its modern design, enhanced by parking sensors

for easier manoeuvring and a reverse camera for added safety. The high roof and long wheelbase design deliver excellent carrying capacity, while the bulkhead and ply lining provide practicality and protection for cargo.

Inside, the cabin is designed with driver comfort and usability in mind. Features include air conditioning, a multi-function steering wheel, cruise control, and full Bluetooth connectivity, ensuring a comfortable and connected driving experience. Electric windows, auto headlights, and DAB radio add to the convenience and refinement expected from the Mercedes-Benz brand.

Equipped with power-assisted steering (PAS) and advanced driver assistance features, this Sprinter offers both ease of handling and long-distance comfort.

A truly versatile large van, this Mercedes Sprinter is a premium option for businesses needing a reliable, spacious, and professional vehicle that stands out in any fleet.
