## Description

The 2022 72 reg Citroen Relay 35 2.2 BlueHDi 140 L3 Low Loader Platform Cab Luton finished in White offers a highly practical and efficient solution for businesses requiring maximum load space with ease of access. Powered by a 2.2 BlueHDi 140 BHP engine, it delivers strong performance and reliability, making it ideal for transporting larger volumes with confidence and efficiency.

Externally, this Relay Luton presents a clean and professional image in its White finish, with the low loader platform design allowing for a reduced load height, making loading and unloading much easier and safer. Its large box body provides excellent capacity, perfect for removal services, furniture

delivery, or logistics operations.

The cabin is designed with driver comfort in mind, benefitting from air conditioning, Bluetooth connectivity, DAB radio, and power assisted steering (PAS) for smooth handling. Electric windows and mirrors further enhance convenience, ensuring ease of use on every journey.

With its spacious Luton body, efficient engine, and practical features, this Citroen Relay Low Loader is perfectly suited for businesses needing a reliable, high-capacity van that combines functionality with everyday comfort.
