Description

Introducing the 2022 Mercedes Vito 114 2.0 CDI 136 BHP L3 H1 Progressive Fridge Van, finished in striking Arctic White. Combining reliability, versatility, and cutting-edge technology, this Vito is designed for professionals who need a dependable vehicle to keep perishable goods safely on the move. Its efficient 2.0-litre engine delivers smooth performance and excellent fuel economy, making it perfect for both city deliveries and longer routes.

Inside, the Vito Progressive is built for comfort and

convenience during every journey. Enjoy features such as a multifunction steering wheel with trip computer, cruise control, Bluetooth connectivity, and DAB radio, ensuring a productive and enjoyable driving experience. The bulkhead and fully lined cargo area are designed to protect goods while keeping the van organized, with the fridge capability ready for temperature-sensitive deliveries.

The exterior impresses with auto headlights, electric mirrors and windows, and a clean Arctic White finish that projects a professional image. The reverse camera and overnight standby function make manoeuvring and extended operations effortless, while adding a layer of safety and practicality to every delivery.

Equipped with power-assisted steering and all the essential modern features, the 2022 Mercedes Vito 114 Progressive Fridge Van is ready to perform from day one. Reliable, versatile, and practical, it's the perfect choice for businesses that need a van capable of maintaining quality, safety, and efficiency on every journey.
