Description

Presenting the 2022 Mercedes Vito 114 2.0 CDI 136 BHP L3 H1 Progressive Fridge Van, finished in timeless Arctic White. Designed with efficiency and reliability at its core, this van offers the perfect solution for businesses needing to transport chilled goods securely. Powered by a responsive 2.0-litre diesel engine, it delivers strong performance with excellent fuel efficiency, making it equally suited to city routes or longer-distance journeys.

Inside, the Vito Progressive has been crafted with the driver in

mind, blending practicality with comfort. The multifunction steering wheel with trip computer, cruise control, and Bluetooth connectivity ensure every journey is stress-free and connected, while DAB radio provides entertainment on the move. A sturdy bulkhead and fully lined fridge compartment keep goods safe, organised, and at the required temperature.

On the outside, this van combines professional looks with smart practicality. Finished in clean Arctic White, it features auto headlights, electric mirrors and windows, and a reverse camera for ease when parking or manoeuvring in tight spaces. Its commanding road presence and sleek design ensure it looks the part for any professional business.

Equipped with power-assisted steering and a range of modern essentials, the 2022 Mercedes Vito 114 Progressive Fridge Van is ready to deliver performance, comfort, and dependability. For businesses needing a versatile refrigerated vehicle, this Vito is a premium solution that works as hard as you do.
